

# FlashCard CopyStation III CF

FlashCard CopyStation III CF

## Rapid duplication of CompactFlash (CF) Cards

- ◆ Complete system (PC without monitor) plus altec copying software; runs under Windows Vista Business SP1; with four preconfigured CF Card Drives for a total of eight CF Card slots
- ◆ CopyStation's transfer rate is approx. 50 MB/sec; copies eight CF Cards with 512 MB in approx. 1½ min. (speed depends on memory card type)
- ◆ Supplied with English or German keyboard and operating system, mouse and external DVD±RW-, ±R DL-, DVD-RAM-Drive with USB interface
- ◆ In-house developed copy software with the same «look & feel» as all other altec CopyStations; user interface selectable for English or German; other languages are available on demand
- ◆ Job Wizard to specify parameters for the copy job such as the image file name, number of copies and whether to verify after writing or not
- ◆ Software option for creating and copying smaller image files; with this, memory cards where much less data is stored than the actual storage capacity permits can be programmed much quicker
- ◆ Compatible with CF Cards Type I & II and all memory media which can be used with a CF Card Adapter, such as SD & SDHC Cards, miniSD & miniSDHC Cards, MultiMediaCards, all Memory Sticks, xD-Cards
- ◆ CF Card Adapter for different memory cards formats on request

## Product Highlights

- Compatible with most mobile memory media
- Fast duplication of content with approx. 50 MB/sec
- Choice between a standard and an optional copy method
- Competitive price due to the use of standard components

**24 Months Warranty**
